ARTICLE 1
Recognition

Section 1—Recognition

The Board hereby recognizes the Association in accordance with the applicable provisions of Act 379 of the Public Acts of 1965, as amended, as the sole and exclusive collective bargaining representative for all personnel employed by the Board in administrative positions, excluding superintendent, assistant superintendents, executive directors, business manager, director of support services, accounting office manager, executive assistants and all other employees covered by collective bargaining agreements.

Section 2—Definitions

In the application and interpretation of the provisions of this agreement, the following definitions shall apply:

1. Board shall mean the Board of Education of the Woodhaven-Brownstown School District or its designated agents.
2. Association shall mean the Woodhaven Administrators Association.
3. Administrator shall mean any member of the bargaining unit.
4. Superintendent shall mean the superintendent of schools of the Woodhaven-Brownstown School District or designated agents.

ARTICLE 2
Management Rights

This agreement is not intended to abrogate the statutory powers of the Board to make rules and regulations to manage and to direct all the operations and activities to the full extent authorized by law, relative to anything whatever necessary for the proper establishment, maintenance, management and carrying on of the public school system, excepting where expressly and in specific terms limited by provisions of this agreement.

ARTICLE 3

Section 2—Dues Check Off

The Board shall deduct Association dues or a representation fee from the paycheck of each administrator for whom the Association has on file a written authorization to do so provided that the Association notifies the Board of the name of each administrator who has authorized payroll deductions.

Such deductions shall continue until the administrator, in writing, revokes his/her authorization or his/her services with the District are terminated, whichever occurs first.

Such deductions shall be made monthly and in equal installments.

All deductions will be forwarded by the Board to the Association's financial office no later than seven (7) calendar days after such deductions are made, along with names and amounts of deductions.

The Association agrees to indemnify and save the Board harmless against any and all claims, demands, suits, or other forms of liability that arise out of or by reason of action taken or not taken by the Board in reliance upon the certified lists furnished to the Board by the Association for the purpose of complying with any of the provisions of this section.

ARTICLE 4 ***Evaluation***

Section 1—Probation Status

All administrators shall serve a two (2) year period of probation. A portion of this probationary period may be waived by the Board upon recommendation of the superintendent.

By March 1st of each probationary year, the superintendent shall provide the administrator with a definite written statement as to the quality of his/her work and further stating the status of the administrator for the next year.

The superintendent will provide the administrator with a definite written statement upon satisfactory completion of the probationary period at which time the administrator will be granted a two (2) year individual contract for the administrative position in which the probationary period was satisfactorily completed.

Section 2—Evaluation of Administrator

Upon receiving a contract, every administrator shall be evaluated by the superintendent or designee at least once a year. The administrator shall be furnished within five (5) work days copies of evaluations prepared by his/her supervisor, the superintendent or designee. The evaluation instruments to be used are those presently contained within the manual of Board of Education policies. If an administrator feels the evaluation is incomplete or unjust and cannot resolve the difference during a personal interview, he/she shall, within ten (10) school days, submit his/her objections in writing and have them attached to his/her evaluation report.

When an administrator is determined to be performing at less than satisfactory level in the normal course of fulfilling his/her responsibilities, the superintendent shall review with the administrator the definition of his/her job responsibilities, noting specifically and in writing the areas of poor performance, incorrect procedures, improper behavior, deficiencies, etc. In such reviews, the superintendent shall identify, in writing within ten (10) workdays, ways and/or methods of improving performance within a mutually agreeable specific timetable by which such change shall be effected.

If the administrator's annual evaluation produces an "effective" rating upon the evaluation instrument, he/she shall be offered, prior to the commencement of the succeeding school year, an administrative individual contract of employment for an additional two (2) school fiscal year period.

Section 3—Termination of Administrative Employment

Any administrator recommended to the Board of Education by the superintendent or designee for non-renewal of his/her administrative employment contract shall be provided written notice of intent setting forth the reasons therefore at least ninety (90) days prior to the termination date of his/her individual employment contract. The superintendent shall provide such notice at the earliest date practicable, considering all relevant circumstances.

Upon written request received within five (5) days of the superintendent's recommendation for non-renewal, the administrator shall be provided, at his/her option, either:

1. a meeting with the superintendent, or
2. a meeting with the Board relative to the superintendent's recommendation which must occur not later than the date the Board takes action upon said recommendation.

In lieu of a personal appearance, the administrator may set forth his/her position, in writing, and file same with the Board within the aforementioned five (5) day period.

If the Board thereafter determines that an administrator's employment contract is not to be renewed for the following fiscal year, the administrator shall be provided written notice of such non-renewal setting forth the reasons therefore at least sixty (60) days prior to the termination date of said employment contract as required per Section 132 of the School Code of 1976 as amended per Act No. 451 Section 380.1229 of the Public Acts of 1976 and thereafter. Such action of the Board shall not be construed to constitute discipline, demotion, or discharge and is specifically excluded from the grievance procedure.

Any discipline, demotion, or discharge of an administrator that is to take effect during the effective dates of his/her employment contract must be supported by just and reasonable cause. As other employee groups change, the standard for discipline, demotion, or discharge shall be consistent with the standard applied to tenured teachers, currently a standard that is not arbitrary or capricious.

ARTICLE 5 ***Administrators Rights***

Section 1—Personnel File

It shall be the right of any administrator to examine and/or copy the contents of his/her official personnel file upon request. Before any materials of a disciplinary or evaluative nature may be placed in the administrator's file, he/she shall be given the opportunity to read, attach an answer in writing, and sign such material.

Section 2—Staff Selection and Assignment

The Board agrees that each administrator will have the opportunity to interview and make a recommendation concerning all personnel, certified or non-instructional, that are being considered for assignment to his/her building or department.

Subject to the final approval of the superintendent, each building principal or director shall have a right to make a determination regarding each certified staff member's assignment within his/her building. Such assignment shall be made in accordance with any other collective bargaining agreements which the Board has entered into and which speak on the subjects of assignments, work schedules, transfers, etc.

Section 3—Reduction in Staff

The Woodhaven Administrators Association recognizes the exclusive right of the Board to determine monetary and/or operational savings to be achieved by reductions in personnel and/or operations and the exclusive right to determine the area in which reduction will be made.

In the event of reduction of administrative personnel, the administrator so affected will be reassigned to a classroom position for which he/she is certified and qualified, consistent with the then effective collective bargaining agreement between the Board and the Woodhaven-Brownstown Education Association. All public school experience previously acquired while a "teacher" within the meaning of Article 1, Section 1, of the Teachers' Tenure Act, whether within or outside the Woodhaven-Brownstown School District, shall apply to years on the teacher's salary schedule.

It is the intent of the Board to give at least ninety (90) days notice of administrative reductions prior to the expiration of the current school year.

For those administrators hired before July 1, 2011, reductions in personnel shall be by District seniority, certification, and qualifications. The term “qualifications” as used herein refers to those criteria contained within each bargaining unit job description.

For those administrators hired on or after July 1, 2011, reductions in personnel shall be based first on certification and qualifications, and then by seniority of the member as a Woodhaven-Brownstown School District administrator. District seniority will be used as a tie-breaker. The term “qualifications” as used herein refers to those criteria contained within teach bargaining unit job description.

Recall of administrators displaced due to reduction will be in reverse order of reduction of administrative staff, assuming certification and qualifications are met.

An administrator previously displaced due to reduction of staff shall be given first opportunity over a new hire for reinstatement to the same position or to any administrative or supervisory vacancy for which the Board determines he/she is certified and qualified.

Any misapplication of the above Board’s rights which affects a layoff or termination of any member of the Association that might be construed as arbitrary by the Association will be subject to the grievance procedure.

Section 4—Seniority

For all WAA members hired on or after July 1, 2011, their WAA seniority is the date the Board of Education approves an initial contract or the first day worked, whichever comes first. In circumstances of more than one WAA member having the same seniority date, the individual shall participate in a drawing to determine their position on the seniority list.

Administrators on unpaid leave shall not accrue seniority while on such a leave. Administrators drawing LTD payments as specified in Article 9, Section 1, from the first day forward, shall not accrue seniority while on such a leave. This applies to all WAA members regardless of date of hire.

ARTICLE 6 Grievance Procedure

A grievance shall be defined as a complaint by any member of the bargaining unit or Association based on an event or condition that is a violation or misapplication of this agreement. Nothing contained herein shall be construed to prevent any individual administrator from presenting a grievance and having the grievance adjusted without intervention of the Association, if the adjustment is not inconsistent with the terms of this contract. It is expressly understood that non-renewal of an administrator’s individual contract of employment is not subject to the grievance procedure.

Procedures to be followed by the administrator who files a grievance:

Step I—An informal discussion shall first be held with the immediate supervisor, or in cases of principals, directly with the superintendent or designee within five (5) workdays of the occurrence or knowledge thereof. Woodhaven Administrators Association official may represent the aggrieved if so desired.

Step II—Should the grievance not be resolved informally within five (5) work days of the conference, a written grievance may be referred to the superintendent stating:

1. Nature of the grievance
2. Articles violated
3. Action requested
4. Written signature of the party submitting grievance
(Woodhaven Administrators Association official may submit the written grievance on behalf of the grievant, or in the case of a group grievance, on behalf of the Association.)

The superintendent or designee shall have five (5) work days after receipt of the written grievance to schedule a conference to attempt to resolve the complaint, and five (5) days thereafter to submit his/her answer and the reasons therefore, in writing, to the grievant.

Step III—If the grievance is not settled at the superintendent’s level, the matter may be referred, in writing, to the Board of Education either by the aggrieved or by the Woodhaven Administrators Association within five (5) work days from the superintendent’s answer. The Board shall review and make a decision within twenty (20) workdays.

Both parties may appear before the Board relative to a pending grievance at Step III if an appearance is requested within the written referral to the Board, in which case the Board shall render its decision within twenty (20) workdays of the party’s appearance. The Board’s decision concerning the matter will be final unless the issue is eligible to be processed at the arbitration level.

Step IV—Arbitration shall be available for all grievances that have been properly processed through Steps I, II, and III except for non-renewal of an administrator’s individual contract and the evaluation of an administrator. As discussed in Article 4, Section 3, non-renewal of an administrator’s employment contract is not subject to the grievance procedure, including arbitration.

If the Association is not satisfied with the disposition of such grievance at Step III, the grievance may be submitted to arbitration before an impartial arbitrator. The Association may request, in writing, arbitration of the grievance within ten (10) days of Step III disposition. If the parties cannot agree as to the arbitrator, he/she shall be selected pursuant to the rules and regulations of the American Arbitration Association.

Powers of the Arbitrator—It shall be the function of the arbitrator and he/she shall be empowered, except as his/her powers are limited below, after due investigation, to make a decision only in cases alleging termination without just cause during the term of an administrator’s individual contract of employment.

1. He/she shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this agreement.
2. He/she shall have no power to rule on any of the following:
 - a) the termination of services of, or failure to re-employ any probationary employee;
 - b) the placing of a probationary employee on additional probation;
 - c) any complaint for which there is another remedial procedure or form established by law or regulation having the force of law.
3. He/she shall have no power to change any practice, policy, or rule of the Board nor to substitute his/her judgment for that of the Board as to the reasonableness of any such practice, policy, rule, or any action taken by the Board. His/Her powers shall be limited to deciding whether the Board has violated the express articles or sections of this agreement, and he/she shall not imply obligations and conditions binding upon the Board from this agreement. It is understood that any matter not specifically set forth herein remains within the reserved rights of the Board.
4. In rendering decisions, the arbitrator shall give due regard to the responsibility of management and shall so construe the agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this agreement.
5. If either party disputes the arbitrability of any grievance under the terms of this agreement, the arbitrator shall have to decide if the grievance is arbitrable. In the event that a case is appealed to an arbitrator of which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
6. There shall be no appeal from an arbitrator’s decision if within the scope of his/her authority as set forth above. It shall be binding upon the Association, its members, the employee or employees involved, and the Board.
7. The fees and expenses of the arbitrator shall be shared equally by the parties. All other expenses shall be borne by the party incurring them, and neither party shall be responsible for the expenses of witnesses called by the other.
8. *Claims for back pay*—all grievances must be filed in writing within five (5) days from the time the alleged violation was to have occurred.

- a) All claims for back wages shall be limited to the amount wages that the employee would otherwise have earned, less any compensation that he/she may have received from any source during the period of the back pay.
 - b) No decision in any one case shall require a retroactive wage adjustment in any other case unless other cases were filed and pending on the representation case.
9. The arbitrator cannot grant relief extending beyond the termination date of the contract.
 10. It is understood that the grievance and arbitration clause shall not be applicable to the grievance procedure when arising in the period between the termination of the present contract and the effective date of its successor.
 11. The arbitrator may not make an award that in effect grants the Association that which it was unable to secure during collective negotiations.

ARTICLE 7

Staff Methods and Procedures

Section 1—Vacancies

The Board and the Woodhaven Administrators Association agree that all positions shall be staffed by the most competent and qualified persons that can be secured for them. The Woodhaven Administrators Association also agrees that the Board shall have the right to make final decisions on the staffing of all positions covered by this agreement by any of the methods and procedures set forth below.

The Board shall have the right to staff any position covered by this agreement on a temporary or emergency basis.

When filling vacancies from promotion or transfers within the bargaining unit, the Board shall advertise in the following manner:

1. A bulletin announcing the permanent vacancy, including job title and a brief description of the duties and functions, shall be circulated to all administrators.
2. Any administrator believing himself to be qualified shall file a written notice of such interest in the position within seven (7) calendar days.
3. Interviews will be provided the interested administrator. The administrator may be required to submit necessary materials and/or documents in pursuit of the position.

Promotions are not meant to include the taking on of additional duties in connection with extra-curricular activities.

Section 3—Transfers

A transfer is defined as a change in assignment, bearing the same title and at the same organizational level; that is, elementary principal to elementary principal in a different building. A change to a different organizational level, requiring different background or skills, such as middle school principal to senior high school principal, is not considered a transfer.

An administrator who is eligible for a transfer under the terms of the definition above shall be given an opportunity to seek a transfer to another position within the unit before candidates outside the unit are considered for that position.

It is understood that an administrator may not request a transfer during a probationary period except when approval is obtained from the superintendent.

Requests for transfers must be in writing, giving the reason for the request, the position requested, and the administrator's qualifications. Such requests are to be submitted to the superintendent and renewed annually if they are to remain active.

Any change in assignment shall not result in a reduction in pay or benefits unless the second position has a maximum salary lower than the salary the administrator was receiving.

Section 4—Involuntary Transfer

An administrator may be assigned to an administrative position in any building, location, or department.

Section 5—Temporary Appointment

A temporary appointment may be made to fill an administrative position by the superintendent. In the event a Woodhaven Administrators Association administrator is the temporary replacement, his/her service in the temporary position, if exceeding ninety (90) calendar days within the school year, shall thereafter be compensated at the rate applicable to the occupied position or the appointee's prior rate, whichever may be greater.

Section 6—Administrative Mentor Program

A mentor program for new administrators will begin in the 2006-07 school year. New administrators will be assigned a mentor in their first year of employment as an administrator in the Woodhaven-Brownstown School District. Administrators incurring service connected illness or injury will be provided workers' compensation benefits in accordance with the Workers' Compensation Act of Michigan, Act No. 10, P.A. of 1912, as amended.

Disabled administrators eligible for benefits will be paid one hundred percent (100%) of the full amount of their regular salary or wages for a period not to exceed one (1) year, provided, however, that compensation checks when received by the employee from the compensation carrier be endorsed and submitted to the School District as partial reimbursement for this benefit.

Section 10—Retirement/Severance

The Board agrees to pay full state retirement benefits to the Michigan Public School Employees Retirement System as set forth by state law.

Any qualified administrator who retires or severs their employment with the District shall receive a severance payment, based on years of service and accumulated sick days, equivalent to the amount of terminal pay a teacher could receive, based on years of service and accumulated sick leave under Article 10, Section G of the WBEA collective bargaining agreement plus 2% of the high school principal, step 1 salary. Administrators that received a severance payout when they left their teaching positions to become administrators shall have their final severance amount reduced by the amount of payout already received.

For existing administrators, accumulated sick leave days equivalent to 15 days x number of years in administrative service to district. This will be used (and added to or subtracted from) for purposes of sick leave and final severance.

For new administrators (after date of ratification), severance will be based on accumulated leave days. For new administrators from the WBEA, their accumulated leave days will carry over.

At the discretion of the qualified administrator, payment may go directly to the administrator or may be directed to a TSA, IRA, or 403(b) plan of the administrator's choice.

This severance incentive is not payable to any administrator who is leaving the District as a result of discharge.

Section 11—Professional Dues

The Board agrees to pay for each administrator the total cost of regular dues per fiscal year to one professional organization approved by the Board, but not to named union in this agreement.

Section 12—Mentor Compensation

Mentors for new administrators will be compensated at a rate of \$1,500 per school year. Request for payment must be submitted to the business office by May 15th. The mentor's request for payment will be accompanied by a spreadsheet indicating the dates and times that meetings occurred as well as the topic(s) covered at each meeting.

Miscellaneous Provisions

Section 1—Validity of Agreement

The parties acknowledge that during the negotiations which resulted in this agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this agreement. Therefore, the Board and the Association for the life of this agreement each voluntarily and unqualifiedly waive the right and each agrees that the other will not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this agreement, even though such subject or matter may not have been within the knowledge and contemplation of either or both of the parties at the time that they negotiated or signed this agreement, except by mutual consent.

Should any article, section, or clause of this agreement be declared invalid by a court of competent jurisdiction, said article, section, or clause, as the case may be, shall be automatically deleted from this agreement but the remaining articles, sections, and/or clauses shall remain in full force and effect for the duration of the agreement.

The provisions of this agreement shall be incorporated into and be considered part of the established policies of the Board. All future individual bargaining unit member contracts shall be made expressly subject to the terms of this agreement.

Section 2—Negotiations

At least one hundred twenty (120) days prior to the expiration of this agreement, the parties shall begin negotiations for a new agreement covering wages, hours, terms, and conditions of employment of administrators employed by the Board. Upon the showing of good cause and by mutual consent, negotiations may be convened by the negotiating teams for the Board and the Association prior to the established time limit.

Section 3—No Strike Clause

The Association agrees that its membership will comply with the provisions of this agreement so that a harmonious and cooperative relationship shall prevail; that it will not sanction, approve, or permit its members to cause nor will any member of the bargaining unit take part in any strike, work stoppage, "blue flu", or any curtailment of duties as specified on the job description.

ARTICLE 13
Duration of Agreement

THIS AGREEMENT will be in effect from September 27, 2016 and remain in full force and effect until midnight, July 31, 2018, at which time it will be terminated. MEMORANDUM OF UNDERSTANDING

In consideration of reaching agreement upon the terms of this collective bargaining agreement and as further expression of both parties' desire to avoid discord upon the meaning and application of its terms, both parties acknowledge the following:

It is understood that it is the intent of the Board of Education to continue the past practices established in the implementation of Article 5, Section 3, as it relates to a reduction in administrative staff.

Should there be a reduction, affected administrator would be placed in a classroom position for which the administrator is certified and qualified. All public school experience previously acquired while a "teacher" within the meaning of Article 1, Section 1 of the Teachers' Tenure Act, whether within or outside the Woodhaven-Brownstown School District, shall apply to years on the teachers' salary schedule.

MEMORANDUM OF UNDERSTANDING II Regarding Article 11, Section 5 and Section 6

Section 3-Evaluation Factor and Section 4-Personal Objective Factor are hereby preserved as historical documents. Discussions regarding their applicability may resume as negotiations are established for the 2008-2009 school year and beyond.

Section 3—Evaluation Factor

Based upon a satisfactory rating on an administrator's composite evaluation, he/she shall receive a salary adjustment of 1% of his/her base salary for the year following the evaluation. A maximum of 1% per year will be given during any single contract year, which is already factored in on the salary schedule. If an administrator receives an unsatisfactory rating, 1% will be deducted from that administrator's salary for the following year. See Memorandum of Understanding II.

Section 4—Personal Objective Factor

Each administrator shall establish two (2) personal job related objectives for each year, mutually agreed upon by the administrator and the superintendent. The successful attainment of each objective will result in an adjustment of ½% per objective of each administrator's salary for the following year. A maximum of 1% per year will be given during any single contract year, which is already factored in on the salary schedule. If an administrator does not achieve one or both of his/her goals, ½% for each goal not met will be deducted from that administrator's salary for the following year. See Memorandum of Understanding II.
